Progress Is Our Most Important Product

Cathy Gooding----First Grade
Robert Ammons----Senior Class President

Alma Mater

Dear Woodington dear
Thy Name shall always be our
guide; Thru' Learning, fame, renown
And gain thee, Alma Mater proud Our every
thought shall be of thee; Maroon and gray
We'll sing aloud Where ere' we roam on Land
or sea; Oh Woodington dear Woodington
Our Noble hearts shall Never Fail
Thy spirit hovers everywhere
Hail Alma Mater proudly hail.

"Every Manufacturing Company has a plant . . . This is Ours!"

Mr. Stephen Carraway, Manager
"Woodington Manufacturing Company"

Mr. H. H. Bullock, Superintendent
Lenoir County Public Schools

We are fortunate to have a Principal, Superintendant and a Supervisor who possess that rare quality of humaneness. We take this opportunity to say Thanks.

Miss Bessie M. Cox, Supervisor
Lenoir County Schools

Mrs. Reatha H. Williams
Secretary to the Manager

Our secretary plays a great part in our school. During the past years she has performed innumerable paper, telephone calls, and general information tasks. Of course, our secretary has been an advisor to the students who are in office training under her. To us, consideration of others is an admirable trait in any person; and Mrs. Williams is an outstanding example of one who possesses this trait.

The unselfish interest and genuine concern of Woodington's faculty and staff have attributed greatly to much of the progress of the students enrolled here. They perform the chief functions---to guide, direct, and inform the students, both in subject matter and life itself. A solicitous administration, and kind, understanding, fully-prepared instructors have spared nothing in providing for us the quality learning for which our governor campaigned. In appreciation, we salute our faculty.

Caught in the trash can!

So far, so good!

Tee Hee!

How will I get them upstairs?

$2+2=4$, not 5

Where is our new teacher?

The fate of frat sweaters--

I'll be too weak to eat!

Faculty Manless Wedding

Rev. Garner helps a bridesmaid.

Mr. Newman awaits his bride.

A beatnik ringbearer?

At last, the ceremony begins!

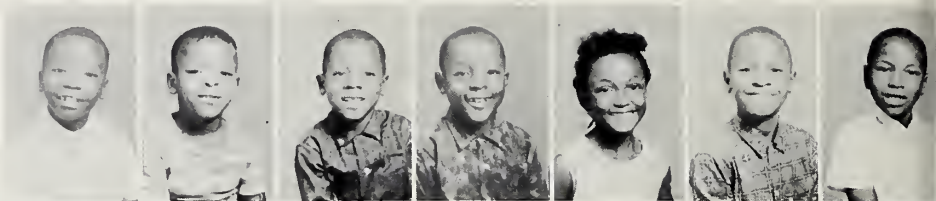

There is always a definite pattern or cycle to be followed in order to produce any worthwhile product. Here we show you our production plans and materials, beginning with the raw materials-the elementary school.

Freshmen

This was the year in which we had the important decision of choosing either the College preparatory, Commercial, or General Courses. We were introduced to French, Algebra, and other new subjects. Even though many of the students were still a little shy and hesitated to join clubs, most of them overcame their timidity and joined in the festivities.

Sophomore Class Officers

More new experiences and classes came into our lives in this year of High School. Many of us learned to drive through the Driver Training Program and all of us learned to dissect frogs and earthworms. Most of the students realized the purpose of school and knew what was expected of them. One of our main projects during this year was to capture the winning crown for the FALL FIESTA, which we did successfully.

Junior Class Officers

This was the year of money raising for the big event in the spring-Junior-Senior Prom. A great amount of extra time and energy was put into these money-raising projects, such as our class play and dances after the basketball games. We worked to make ours the best Junior-Senior yet. However, throughout all this activity we tried not to lose sight of the fact that our school work came first. We knew that time was fleeting and we tried to fill our school days with memorable experiences.

Senior

Class

Officers

At last we have reached the top rung of the ladder of PROGRESS. This, our busiest year of school, has been full of events-putting on the class play, deciding on a class gift (and, of course, raising money for the gift,) sponsoring dances and suppers, sending out invitations, being fitted for caps and gowns, and in between projects, doing class assignments. And finally the final walk down the aisle to the tune of 'Pomp and Circumstance'.

Organizations

A Bus or Burst

No school or school life is complete without extracurricular activities. There are many clubs and organizations in our school, some of which are honorary and others with open memberships. And now, starting with our student governing body, let's take a look at our clubs.

Crown & Scepter Club

The three cardinal principles of the Crown and Scepter Club are Scholarship, Character and Services.

The Reverend L. C. Rahming addresses the Woddington family at Crown and Scepter Installation Services. His words stimulated many of us to renew our struggles for PROGRESS.

Senior Marshals

This is one of the highest honors that a student may attain. The marshals are selected on the basis of attaining the highest averages in their respective classes.

*T
r
i
H
i
Y*

The purpose of these organizations is to create, maintain, and extend throughout the home, school, and community high standards of Christian character.

*H
i
Y*

Dramatic Club

The Dramatic Club is an organization which trains interested students in the dramatic arts. We say to them: "Act well your part; then all the honor lies."

Commercial Club

A BUSINESS TRAINING can be the Key which can unlock the door to many attractive employment and career opportunities.

Bus Drivers

Here are eighteen students on whom we depend every day-our bus drivers. They have the tremendous task of carrying students to and from school in all kinds of weather.

Library Club

The purposes of the Library club are to stimulate reading interests, to sponsor a greater interest among the students in the use of books and library services, and to improve the library services at school.

French Club

Les Jeunes Amis is an Organization composed of second year french students. Its purpose is to assist and improve the pronunciation and grammer of the students as well as to add relations.

Patrol Force

The purpose of the patrol force is to keep order on the halls while classes are being changed.

N
H
A

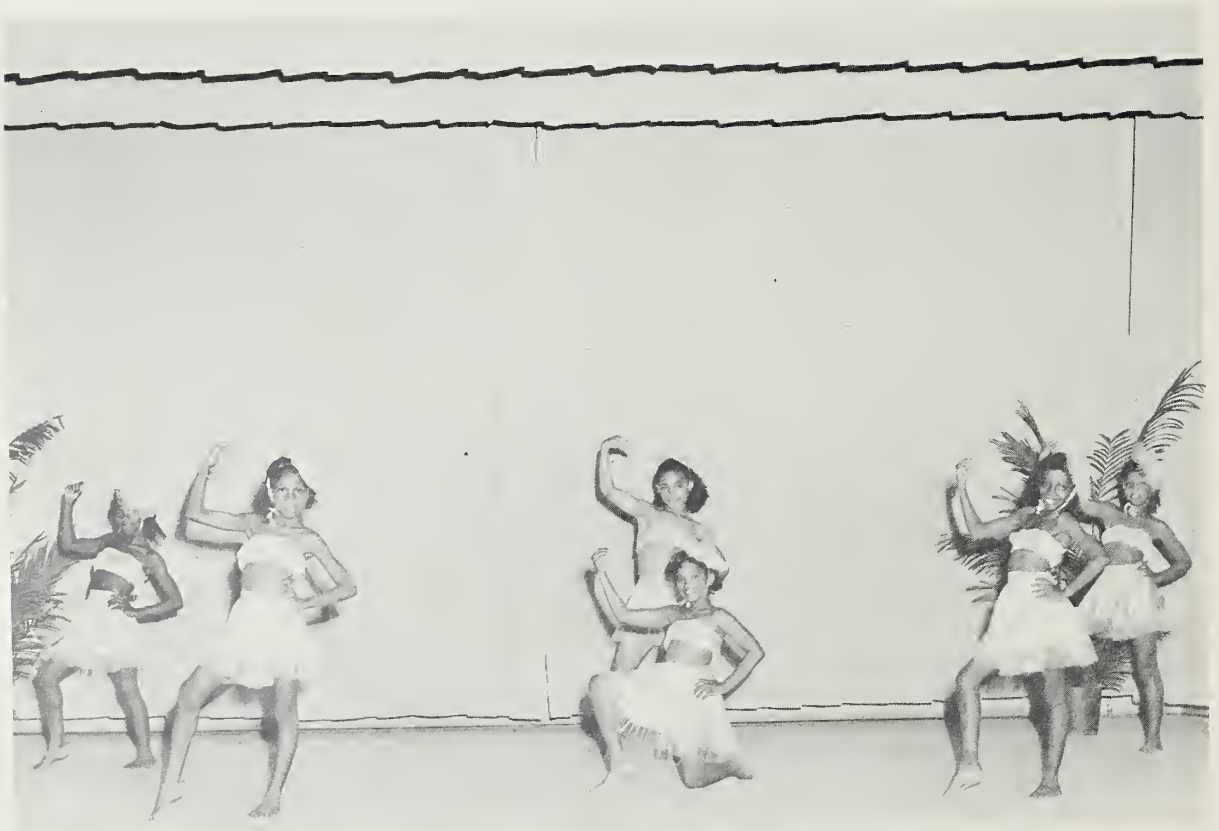

The New Homemakers of America is a youth organization which offers opportunities for the further development of students in planning and carrying out activities related to homemaking and for the development of leadership abilities.

A National Organization found in rural high schools where agriculture is taught. There are 1,036 chapters and 55,889 active members who encourage and practice brotherhood and leadership in rural communities.

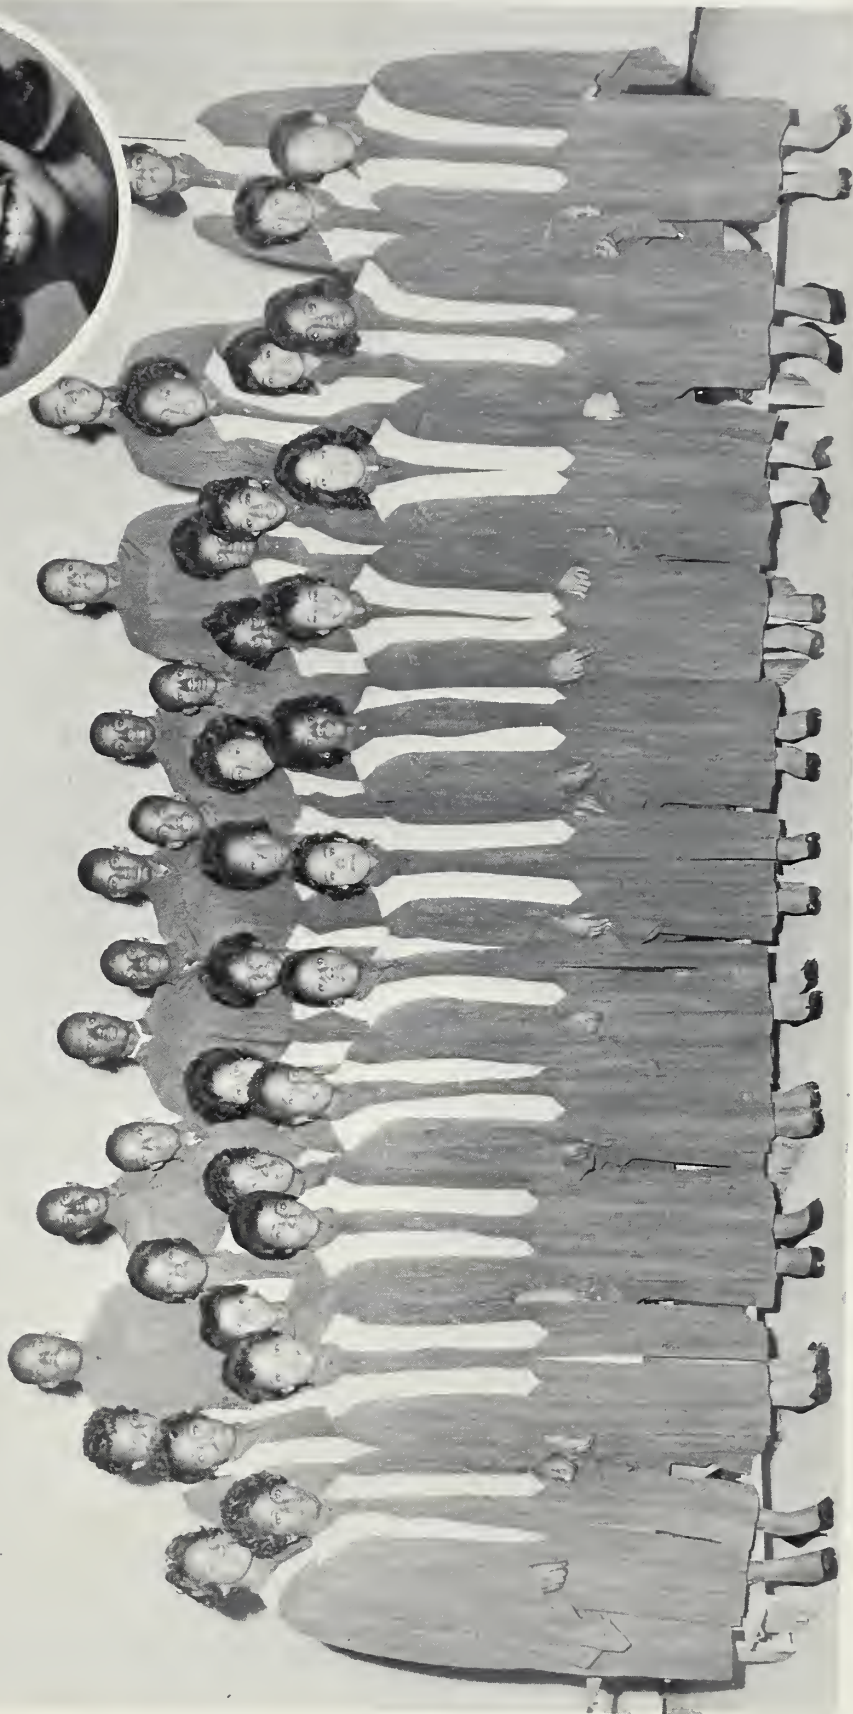

N
F
A

Dance Group

C h o r a l C l u b

The Woodington High School Choral Club which has performances at its fingertips knows that music is servant and master . . . servant of the living and master of the dead.
